Communion Reflection

The greatest evil in the world.....

Mother Teresa said:

'Many today are starving for ordinary bread. But there is another kind of hunger – the hunger to be wanted, to be loved, to be recognized.

Nakedness too is not just the want of clothes, but also about the loss of dignity, purity and self respect.

And homelessness is not just want of a house; there is homelessness of being rejected, of being unwanted in a throwaway society.

The biggest disease in the world today is the feeling of being unwanted and uncared for.

The greatest evil in the world is lack of love, the terrible indifference towards one's neighbour.' Lord warm our cold hearts with your grace, so that we your disciples may produce the fruits of love.
