## Communion Reflection Giving.....

You give but little when you give of your possessions. It is when you give of yourself that you truly give. There are those who give little of the much which they have, and they give it for recognition, and their hidden desire makes their gifts unwholesome. And there are those who have little and give it all. These are the believers in life and the bounty of life, and their coffer is never empty. Through the hands of such as these God speaks, and from behind their eyes he smiles upon the earth.
